HerHeadquarters, Inc. Woman-owned Business Certification is only granted to businesses that have proven to a certification committee that it's a majority woman-owned, controlled, and managed U.S.-based businesses. Our certification includes a thorough due diligence process, that includes, but is not limited to:

- Two forms of government issued identification
- Evidence of business formation
- Evidence of business structure
- Evidence of current business operations
- Verification & authenticity check of all documents
- Multiple business reference checks
- An interview with the majority woman-owner
- An application
- Signed affidavit
- Online audit

HerHeadquarters credibility and advocacy of women-owned businesses has extended to the White House, Forbes, Congress, and beyond.
