Re: Donations

Greetings,

Our purpose is to provide an avenue for Bowlz of Blessingz whereby Hunger is not an option. The objective to our program is to facilitate a change from hungry and displaced self to purpose by providing quality treatment, counseling, mentoring, occupational training, job placement, education and prevention services, emphasizing mutual trust, respect and collaboration. Our program is designed for youth, woman and men (18-60) who are lacking the nutrition and resources needed and committed to the process of change for the betterment of themselves, their families and communities. While we have made some great strides, B.O.B still has a lot to accomplish. We need your support to continue to fulfil our mission by continuing to house the clients and provide them with becoming self-sufficient, growth, faith and encouragement.

Would you consider donating any new or used linen, towels, blankets, cleaning supplies, hygiene products, first aid kits or anything that you can possibly to help us achieve our mission?

We supply each of our clients with a hot meal with hygiene packages every Week, this includes; soap, deodorant, tooth brush, toothpaste, toilet paper, food items, seasonings, hair products (i.e. comb, brush, scarf, grease, etc.), socks, underwear, etc. We provide all these essentials and more for each client with the help of personal proceeds and companies like yours.

If you have any questions, I would be happy to provide you with more information about how you can help support our work at Blessingz on Blessingz Inc. We greatly appreciate your donation, and it will be used to house clients, provide them with clean linens, helping them with the upkeep of their hygiene and proving them with a clean and livable homes. If you wish to contribute, please give us a call at 707-366-5019.

Generous donors like you are the key to our success and make it possible for B.O.B to provide local individuals and families in need with assistance and critical services. We hope that we can count on your support to help us in our endeavors towards supplying the products that are needed.
